SUNBED DESCRIPTION

niumii sunbed,

Easy handling, variation possibilities and the puristic style characterize the niumii "sunbed".

The unique "Easy Move" system incorporates a set of wheels with high quality bearings to ease movement.

The addition of an adjustable head support insures a comfortable and relaxing position is easy to find. In combination with the table plate you can convert the armrest frame into a side table.

(sunbed without armrests, 100 kg limited weight!!!)

It is based on corrosion free and light aluminum.

The aluminum frame and carefully selected materials make the niumii "sunbed" light weight, weather resistant, and 100% recyclable.
