SHELL DESCRIPTION

niumii shell

The "shell" provides a wide range of comfortable positions, easily selected by simply shifting your body weight. Rocking the chair easy and with little effort in any position. With or without the frame.

The "Shell" can also be used with the optional armrests in place for convenient accessibility, or the armrest frames can be used in combination with available table plate to make a convenient side/drink table. With our different cushions become the lounge a very comfortable and stylish indoor furniture. The unique "easy move" system incorporates wheels with high quality bearings to ease movement. The handle can be used to hang the niumii on a wall for convenient storage. The Shell is weather resistant, and 100% recyclable.
